Vermont State Veteran's Benefits

The state of Vermont provides several veteran benefits. This section offers a brief description of each of the following benefits.

- [Housing Benefits](#)
- [Financial Assistance Benefits](#)
- [Employment Benefits](#)
- [Education Benefits](#)
- [Other State Veteran Benefits](#)

Vermont Veteran Housing Programs

Vermont Veterans' Home

The state of Vermont runs a veterans home in Bennington. Vermont Veterans have priority for admission to the Vermont Veterans Home. Veterans from other states are welcome to apply. Eligible Veterans are those who served at least ninety days in the Armed Forces of the United States and were discharged under honorable conditions. Gold Star parents and spouses of qualified Veterans also are eligible for admission.

Financial Assistance Programs

The Office of Veterans Affairs provides emergency financial assistance to veterans and their dependents by providing a one-time payment. Applications are processed over the phone or in person. Applicants will need to provide detailed information on their income and expenses to apply.

Vermont Veteran Employment Programs

Vermont Employment and Training Assistance

Each State Department of Labor Career Resource Center has professionals who are trained to assist veterans in finding work or job training. They are extremely knowledgeable about veterans' benefits and can refer veterans to the state and federal programs designed to meet their needs. Your local phonebook will have the number of the closest office. When you call, tell them you're a veteran. The link to the left will provide a directory of these professionals in the state.

Vermont Veteran Education Assistance

High School Diplomas for WWII and Korean War Era Veterans

Veterans of the World War II and Korean War Eras who do not have a high school diploma may be eligible to receive one from a Vermont high school. Applications are verified by the Office of Veterans Affairs, and the diplomas are issued by a secondary school picked by the veteran.

Other Vermont State Veteran Benefits

Vermont Veterans Memorial Cemetery

The Vermont Veterans Memorial Cemetery is located in Randolph Center. It provides veterans with a resting-place that honors their service at a cost lower than a commercial cemetery. In addition, certain family members may also be buried with the veteran. Applicants can choose from government markers or custom made commercial markers.

Vermont Veterans License Plates

Veterans can receive a Vermont Veterans License Plate when they register their vehicle. Veterans can have a Vermont Veterans License Plate on each of their cars. The Department of Motor Vehicles will charge \$10 the first time a vehicle is registered with the plate. Of this fee, \$5 goes towards the Office of Veterans Affairs to fund their activities.

Hunting and Fishing Licenses;

Veterans with a Department of Veterans Affairs Service Connected Disability rating of 60% or greater can receive a free lifetime hunting and fishing license. They can also receive a free Green Mountain Pass, which provides free access to state parks. For the hunting and fishing license, you will need to obtain a verification letter from the White River Junction Benefits Office (1-800-827-1000). Submit the verification letter with a standard license application and send it to the Fish and Wildlife Department in Waterbury.

Green Mountain Pass

Veterans may receive a Green Mountain Pass for a \$2 fee. Use the Green Mountain Pass for free admission to Vermont State Parks (overnight camping and other park fees are excluded), Vermont State Historic Sites, and events which are fully State sponsored.

Vermont Medals

Veterans who entered the military when they were a resident of Vermont, regardless of where they live now, and received an honorable discharge may be eligible for a state medal honoring their service. There are two medals: The Vermont Veteran's Medal (Bronze) and the Vermont Distinguished Service Medal (Silver). The Vermont Distinguished Service Medal is awarded to those who served in a combat theater. Veterans may choose to have the medals mailed to them or presented in a ceremony. In cases where the veteran is deceased, the medals may be requested by a family member. Medals are usually mailed within 4 weeks of our office receiving an application; those who request a ceremony may have to wait up to a year before there will be a presentations.

Visit the [Vermont Office of Veterans Affairs](#) website for more information on any of these programs.
