Washington Financial Assistance Programs

The WDVA director is authorized to provide protective financial services to veterans and beneficiaries deemed in need of assistance. These services may include the following:

- Fiduciary appointment by the U.S. Department of Veterans Affairs;
- Representative payee appointment by the Social Security Administration; or
- Act as an executor of a veteran's estate.

Other Washington State Veteran Benefits

PTSD Counseling Services

The Post Traumatic Stress Disorder (PTSD) Program attempts to create community-based avenues to counseling service that are less formal in nature, offering the highest level of confidentiality possible. Services provided throughout the program include individual, couples, family, and veteran group counseling. Some contractors offer group services to women veterans and spouses of veterans. Veterans may be referred to specialized inpatient or outpatient treatment offered by the U.S. Department of Veterans Affairs Medical Centers or Vet Centers within Washington State.

Washington State offers several other benefits including special license plates, returning veterans transition assistance, reduced public transportation fees, reduced fee hunting and fishing licenses, and more.

Military Commercial Drivers License Skills Test Waiver

The Commercial Driver License (CDL) skills test waiver form may be used by service members who are currently licensed and who are or were employed within the last 90 days in a military position requiring the operation of a military motor vehicle equivalent to a Commercial Motor Vehicle (CMV). This waiver allows a qualified service member to apply for a CDL without skills testing. CDL knowledge (written) test(s) cannot be waived.

Commemorative License Plates

There are several commemorative license plates available recognizing veterans in special categories.
