Sec. 3014A. Accelerated payment of basic educational assistance for education leading to employment in high technology occupation in high technology industry

-STATUTE-

(a) An individual described in subsection (b) who is entitled to basic educational assistance under this subchapter may elect to receive an accelerated payment of the basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(b) An individual described in this subsection is an individual who is -

(1) enrolled in an approved program of education that leads to employment in a high technology occupation in a high technology industry (as determined pursuant to regulations prescribed by the Secretary); and

(2) charged tuition and fees for the program of education that, when divided by the number of months (and fractions thereof) in the enrollment period, exceeds the amount equal to 200 percent of the monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title.

(c)(1) The amount of the accelerated payment of basic educational assistance made to an individual making an election under subsection (a) for a program of education shall be the lesser of -

(A) the amount equal to 60 percent of the established charges for the program of education; or

(B) the aggregate amount of basic educational assistance to which the individual remains entitled under this chapter at the time of the payment.

(2) In this subsection, the term "established charges", in the case of a program of education, means the actual charges (as determined pursuant to regulations prescribed by the Secretary) for tuition and fees which similarly circumstanced nonveterans enrolled in the program of education would be required to pay. Established charges shall be determined on the following basis:

(A) In the case of an individual enrolled in a program of education offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the term, quarter, or semester.

(B) In the case of an individual enrolled in a program of education not offered on a term, quarter, or semester basis, the tuition and fees charged the individual for the entire program of education.

(3) The educational institution providing the program of education for which an accelerated payment of basic educational assistance allowance is elected by an individual under subsection (a) shall certify to the Secretary the amount of the established charges for the program of education.

(d) An accelerated payment of basic educational assistance made to an individual under this section for a program of education shall be made not later than the last day of the month immediately

following the month in which the Secretary receives a certification from the educational institution regarding -

- (1) the individual's enrollment in and pursuit of the program of education; and
- (2) the amount of the established charges for the program of education.

(e)(1) Except as provided in paragraph (2), for each accelerated payment of basic educational assistance made to an individual under this section, the individual's entitlement to basic educational assistance under this chapter shall be charged the number of months (and any fraction thereof) determined by dividing the amount of the accelerated payment by the full-time monthly rate of basic educational assistance allowance otherwise payable to the individual under section 3015 of this title as of the beginning date of the enrollment period for the program of education for which the accelerated payment is made.

(2) If the monthly rate of basic educational assistance allowance otherwise payable to an individual under section 3015 of this title increases during the enrollment period of a program of education for which an accelerated payment of basic educational assistance is made under this section, the charge to the individual's entitlement to basic educational assistance under this chapter shall be determined by prorating the entitlement chargeable, in the matter provided for under paragraph (1), for the periods covered by the initial rate and increased rate, respectively, in accordance with regulations prescribed by the Secretary.

(f) The Secretary may not make an accelerated payment under this section for a program of education to an individual who has received an advance payment under section 3680(d) of this title for the same enrollment period.

(g) The Secretary shall prescribe regulations to carry out this section. The regulations shall include requirements, conditions, and methods for the request, issuance, delivery, certification of receipt and use, and recovery of overpayment of an accelerated payment under this section.

Sec. 3015. Amount of basic educational assistance

-STATUTE-

(a) The amount of payment of educational assistance under this chapter is subject to section 3032 of this title. Except as otherwise provided in this section, in the case of an individual entitled to an educational assistance allowance under this chapter whose obligated period of active duty on which such entitlement is based is three years, a basic educational assistance allowance under this subchapter shall be paid -

(1) for an approved program of education pursued on a full-time basis, at the monthly rate of -

(A) for months occurring during the period beginning on August 1, 2008, and ending on the last day of fiscal year 2009, \$1,321; and

(B) for months occurring during a subsequent fiscal year, the amount for months occurring during the previous fiscal year increased under subsection (h); or

(2) at an appropriately reduced rate, as determined under regulations which the Secretary shall prescribe, for an approved program of education pursued on less than a full-time basis.

(b) In the case of an individual entitled to an educational assistance allowance under section 3011 or 3018 of this title whose obligated period of active duty on which such entitlement is based is two years, a basic educational assistance allowance under this chapter shall (except as provided in the succeeding subsections of this section) be paid -

(1) for an approved program of education pursued on a full-time basis, at the monthly rate of -

(A) for months occurring during the period beginning on August 1, 2008, and ending on the last day of fiscal year 2009, \$1,073; and

(B) for months occurring during a subsequent fiscal year, the amount for months occurring during the previous fiscal year increased under subsection (h); or

(2) at an appropriately reduced rate, as determined under regulations which the Secretary shall prescribe, for an approved program of education pursued on less than a full-time basis.

(c)(1) The amount of basic educational allowance payable under this chapter to an individual referred to in paragraph (2) of this subsection is the amount determined under subsection (a) of this section.

(2) Paragraph (1) of this subsection applies to an individual

entitled to an educational assistance allowance under section 3011 of this title -

(A) whose obligated period of active duty on which such entitlement is based is less than three years;

(B) who, beginning on the date of the commencement of such obligated period of active duty, serves a continuous period of active duty of not less than three years; and

(C) who, after the completion of that continuous period of active duty, meets one of the conditions set forth in subsection (a)(3) of such section 3011.

(d)(1) In the case of an individual who has a skill or specialty designated by the Secretary concerned as a skill or specialty in which there is a critical shortage of personnel or for which it is difficult to recruit, the Secretary concerned, pursuant to regulations to be prescribed by the Secretary of Defense, may, at the time the individual first becomes a member of the Armed Forces, increase the rate of the basic educational assistance allowance applicable to such individual to such rate in excess of the rate prescribed under subsections (a), (b), and (c) of this section as the Secretary of Defense considers appropriate, but the amount of any such increase may not exceed \$950 per month.

(2) In the case of an individual who after October 7, 1997, receives an enlistment bonus under section 308a or 308f (!1) of title 37, receipt of that bonus does not affect the eligibility of that individual for an increase under paragraph (1) in the rate of the basic educational assistance allowance applicable to that individual, and the Secretary concerned may provide such an increase for that individual (and enter into an agreement with that individual that the United States agrees to make payments pursuant to such an increase) without regard to any provision of law (enacted before, on, or after the date of the enactment of this paragraph) that limits the authority to make such payments.

(e)(1)(A) Except as provided in subparagraph (B) of this paragraph and subject to paragraph (2) of this subsection, in the case of an individual who on December 31, 1989, was entitled to educational assistance under chapter 34 of this title, the rate of the basic educational assistance allowance applicable to such individual under this chapter shall be increased by the amount equal to one-half of the educational assistance allowance that would be applicable to such individual under such chapter 34 (as of the time the assistance under this chapter is provided and based on the rates in effect on December 31, 1989) if such chapter were in effect.

(B) Notwithstanding subparagraph (A) of this paragraph, in the case of an individual described in that subparagraph who is pursuing a cooperative program on or after October 9, 1996, the rate of the basic educational assistance allowance applicable to such individual under this chapter shall be increased by the amount equal to one-half of the educational assistance allowance that would be applicable to such individual for pursuit of full-time institutional training under chapter 34 (as of the time the assistance under this chapter is provided and based on the rates in effect on December 31, 1989) if such chapter were in effect.

(2) The number of months for which the rate of the basic educational assistance allowance applicable to an individual is increased under paragraph (1) of this subsection may not exceed the number of months of entitlement to educational assistance under chapter 34 of this title that the individual had remaining on December 31, 1989.

(f) In the case of an individual for whom the Secretary of Defense made contributions under section 3222(c) of this title and who is entitled to educational assistance under section 3018A, 3018B, or 3018C of this chapter, the Secretary shall increase the rate of the basic educational assistance allowance applicable to such individual in excess of the rate provided under subsection (a) of this section in a manner consistent with, as determined by the Secretary of Defense, the agreement entered into with such individual pursuant to the rules and regulations issued by the Secretary of Defense under section 3222(c) of this title.

(g) In the case of an individual who has made contributions authorized by section 3011(e) or 3012(f) of this title, effective as of the first day of the enrollment period following receipt of such contributions from such individual by the Secretary concerned, the monthly amount of basic educational assistance allowance applicable to such individual under subsection (a), (b), or (c) shall be the monthly rate otherwise provided for under the applicable subsection increased by -

(1) an amount equal to \$5 for each \$20 contributed by such individual under section 3011(e) or 3012(f) of this title, as the case may be, for an approved program of education pursued on a full-time basis; or

(2) an appropriately reduced amount based on the amount so contributed, as determined under regulations which the Secretary shall prescribe, for an approved program of education pursued on less than a full-time basis.

(h)(1) With respect to any fiscal year, the Secretary shall provide a percentage increase in the rates payable under subsections (a)(1) and (b)(1) equal to the percentage by which -

(A) the average cost of undergraduate tuition in the United States, as determined by the National Center for Education Statistics, for the last academic year preceding the beginning of the fiscal year for which the increase is made, exceeds

(B) the average cost of undergraduate tuition in the United States, as so determined, for the academic year preceding the academic year described in subparagraph (A).

(2) Any increase under paragraph (1) in a rate with respect to a fiscal year after fiscal year 2004 and before fiscal year 2014 shall be rounded down to the next lower whole dollar amount. Any such increase with respect to a fiscal year after fiscal year 2013 shall be rounded to the nearest whole dollar amount.

Sec. 3031. Time limitation for use of eligibility and entitlement

-STATUTE-

(a) Except as provided in subsections (b) through (g), and subject to subsection (h), of this section, the period during which an individual entitled to educational assistance under this chapter may use such individual's entitlement expires at the end of the 10-year period beginning on the date of such individual's last discharge or release from active duty, except that such 10-year period shall begin -

(1) in the case of an individual who becomes entitled to such assistance under clause (A) or (B) of section 3012(a)(1) of this title, on the later of the date of such individual's last discharge or release from active duty or the date on which the four-year requirement described in clause (A)(ii) or (B)(ii), respectively, of such section 3012(a)(1) is met;

(2) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(B), on the later of the date of such individual's last discharge or release from active duty or January 1, 1990; and

(3) in the case of an individual who becomes entitled to such assistance under section 3011(a)(1)(C) or 3012(a)(1)(C) of this

title, on December 27, 2001.

(b) In the case of any eligible individual who has been prevented, as determined by the Secretary, from pursuing a program of education under this chapter within the 10-year period prescribed by subsection (a) of this section because such individual had not met the nature of discharge requirement of this chapter before the nature of such individual's discharge or release was changed by appropriate authority, such 10-year period shall not run during the period of time that such individual was so prevented from pursuing such program of education.

(c) In the case of an individual eligible for educational assistance under the provisions of this chapter who, after such individual's last discharge or release from active duty, was detained by a foreign government or power, the 10-year period described in subsection (a) of this section shall not run (1) while such individual is so detained, or (2) during any period immediately following such individual's release from such detention during which such individual is hospitalized at a military, civilian, or Department of Veterans Affairs medical facility.

(d)(1) In the case of an individual eligible for educational assistance under this chapter who is prevented from pursuing the individual's chosen program of education before the expiration of the 10-year period for the use of entitlement under this chapter otherwise applicable under this section because of a physical or mental disability which is not the result of the individual's own willful misconduct, such 10-year period -

(A) shall not run during the period the individual is so prevented from pursuing such program; and

(B) shall again begin running on the first day after the individual's recovery from such disability on which it is reasonably feasible, as determined under regulations prescribed by the Secretary, for the individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(2)(A) Subject to subparagraph (B), in the case of an individual eligible for educational assistance under this chapter who is prevented from pursuing the individual's chosen program of education before the expiration of the 10-year period for the use of entitlement under this chapter otherwise applicable under this section by reason of acting as the primary provider of personal care services for a veteran or member of the Armed Forces under section 1720G(a) of this title, such 10-year period -

(i) shall not run during the period the individual is so prevented from pursuing such program; and

(ii) shall again begin running on the first day after the date of the recovery of the veteran or member from the injury, or the date on which the individual ceases to be the primary provider of personal care services for the veteran or member, whichever is earlier, on which it is reasonably feasible, as so determined, for the individual to initiate or resume pursuit of a program of education with educational assistance under this chapter.

(B) Subparagraph (A) shall not apply with respect to the period of an individual as a primary provider of personal care services if the period concludes with the revocation of the individual's designation as such a primary provider under section 1720G(a)(7)(D) of this title.

(e)(1) Except as provided in paragraph (2) of this subsection, in the case of an individual described in section 3011(a)(1)(B),

3011(a)(1)(C), 3012(a)(1)(B), or 3012(a)(1)(C) of this title who is entitled to basic educational assistance under this chapter, the 10-year period prescribed in subsection (a) of this section shall be reduced by an amount of time equal to the amount of time that such individual was not serving on active duty during the period beginning on January 1, 1977, and ending on June 30, 1985.

(2) In the case of an individual to which paragraph (1) of this subsection is applicable and who is described in section 3452(a)(1)(B) of this title, the 10-year period prescribed in subsection (a) of this section shall not be reduced by any period in 1977 before the individual began serving on active duty.

(f)(1) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire during a quarter or semester, such period shall be extended to the end of such quarter or semester.

(2) If an individual eligible for educational assistance under this chapter is enrolled under this chapter in an educational institution not regularly operated on the quarter or semester system and the period of such individual's entitlement under this chapter would, under section 3013, expire after a major portion of the course is completed, such period shall be extended to the end of the course or for 12 weeks, whichever is the lesser period of extension.

(g) In the case of an individual described in section 3011(f)(3) of this title, the period during which that individual may use the individual's entitlement to educational assistance allowance expires on the last day of the 10-year period beginning on the date of the enactment of the Veterans Millennium Health Care and Benefits Act if that date is later than the date that would otherwise be applicable to that individual under this section.

(h) For purposes of subsection (a) of this section, an individual's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this title.

Sec. 3032. Limitations on educational assistance for certain individuals

-STATUTE-

(a) In the case of an individual entitled to educational assistance under this chapter who is pursuing a program of education -

(1) while on active duty; or

(2) on less than a half-time basis,

the amount of the monthly educational assistance allowance payable to such individual under this chapter is the amount determined under subsection (b) of this section.

(b) The amount of the educational assistance allowance payable to an individual described in subsection (a) of this section is the least of the following: (1) the amount of the educational assistance allowance otherwise payable to such individual under this chapter, (2) the established charges for tuition and fees that the educational institution involved requires similarly circumstanced nonveterans enrolled in the same program to pay, or (3) the amount of the charges of the educational institution elected by the individual under section 3014(b)(1) of this title.

(c)(1) Except as provided in paragraph (2) of this subsection, the amount of the monthly educational assistance allowance payable to an individual pursuing a full-time program of apprenticeship or

other on-job training under this chapter is -

(A) for each of the first six months of the individual's pursuit of such program, 75 percent of the monthly educational assistance allowance otherwise payable to such individual under this chapter;

(B) for each of the second six months of the individual's pursuit of such program, 55 percent of such monthly educational assistance allowance; and

(C) for each of the months following the first 12 months of the individual's pursuit of such program, 35 percent of such monthly educational assistance allowance.

(2) In any month in which an individual pursuing a program of education consisting of a program of apprenticeship or other on-job training fails to complete 120 hours of training, the amount of monthly educational assistance allowance payable under this chapter to the individual shall be limited to the same proportion of the applicable rate determined under paragraph (1) of this subsection as the number of hours worked during such month, rounded to the nearest eight hours, bears to 120 hours.

(3)(A) Except as provided in subparagraph (B) of this paragraph, for each month that an individual is paid a monthly educational assistance allowance under this chapter, the individual's entitlement under this chapter shall be charged at the rate of -

(i) 75 percent of a month in the case of payments made in accordance with paragraph (1)(A) of this subsection;

(ii) 55 percent of a month in the case of payments made in accordance with paragraph (1)(B) of this subsection; and

(iii) 35 percent of a month in the case of payments made in accordance with paragraph (1)(C) of this subsection.

(B) Any such charge to the individual's entitlement shall be reduced proportionately in accordance with the reduction in payment under paragraph (2) of this subsection.

(d)(1)(A) The amount of the educational assistance allowance payable under this chapter to an individual who enters into an agreement to pursue, and is pursuing, a program of education exclusively by correspondence is an amount equal to 55 percent of the established charge which the institution requires nonveterans to pay for the course or courses pursued by such individual.

(B) For purposes of this paragraph, the term "established charge" means the lesser of -

(i) the charge for the course or courses determined on the basis of the lowest extended time payment plan offered by the institution and approved by the appropriate State approving agency; or

(ii) the actual charge to the individual for such course or courses.

(2) Such allowance shall be paid quarterly on a pro rata basis for the lessons completed by the individual and serviced by the institution.

(3) In each case in which the rate of payment to an individual is determined under paragraph (1) of this subsection, the period of entitlement of such individual under this chapter shall be charged at the rate of one month for each payment of educational assistance to the individual that is equal to the amount of monthly educational assistance the individual would otherwise be eligible to receive for full-time pursuit of an institutional course under this chapter.

(e)(1) Notwithstanding subsection (a) of this section, each

individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 3034(d) of this title shall be paid an educational assistance allowance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No educational assistance allowance may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The number of months of entitlement charged in the case of any individual for a program of education described in paragraph (1) of this subsection shall be equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such program by the monthly rate of educational assistance which, except for paragraph (1) of this subsection, such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

(f)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance which, except for paragraph (1), such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's available entitlement under this chapter.

(g)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a national test for admission or national test providing an opportunity for course credit at institutions of higher learning described in section 3452(b) of this title is the amount of the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for a test described in paragraph (1) is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance, except for paragraph (1), such individual would otherwise be paid under subsection (a)(1), (b)(1), (d), or (e)(1) of section 3015 of this title, as the case may be.

(3) In no event shall payment of educational assistance under this subsection for a test described in paragraph (1) exceed the amount of the individual's available entitlement under this

chapter.
