-STATUTE-

(a)(1) Subject to the provisions of section 3695 of this title limiting the aggregate period for which any person may receive assistance under two or more programs of educational or vocational assistance administered by the Department of Veterans Affairs, a participant shall be entitled to a maximum of 36 monthly benefit payments (or their equivalent in the event of part-time benefits).

(2) Except as provided in paragraph (5)(E) of this subsection and in subsection (e) of this section and section 3233 of this title and subject to section 3241 of this title, the amount of the monthly payment to which any eligible veteran is entitled shall be ascertained by (A) adding all contributions made to the fund by the eligible veteran, (B) multiplying the sum by 3, (C) adding all contributions made to the fund for such veteran by the Secretary of Defense, and (D) dividing the sum by the lesser of 36 or the number of months in which contributions were made by such veteran.

(3) Payment of benefits under this chapter may be made only for periods of time during which an eligible veteran is actually enrolled in and pursuing an approved program of education and, except as provided in paragraph (4), only after an eligible veteran has been discharged or released from active duty.

(4) Payment of benefits under this chapter may be made after a participant has completed his or her first obligated period of active duty (which began after December 31, 1976), or 6 years of active duty (which began after December 31, 1976), whichever period is less.

(5)(A) Notwithstanding any other provision of this chapter or chapter 36 of this title, any payment of an educational assistance allowance described in subparagraph (B) of this paragraph -

(i) shall not be charged against the entitlement of any eligible veteran under this chapter; and

(ii) shall not be counted toward the aggregate period for which section 3695 of this title limits an individual's receipt of assistance.

(B) The payment of an educational assistance allowance referred to in subparagraph (A) of this paragraph is any payment of a

monthly benefit under this chapter to an eligible veteran for pursuit of a course or courses under this chapter if the Secretary finds that the eligible veteran -

- (i) in the case of a person not serving on active duty, had to discontinue such course pursuit as a result of being ordered to serve on active duty under section 688, 12301(a), 12301(d), 12301(g), 12302, or 12304 of title 10; or
- (ii) in the case of a person serving on active duty, had to discontinue such course pursuit as a result of being ordered to a new duty location or assignment or to perform an increased amount of work; and
- (iii) failed to receive credit or training time toward completion of the individual's approved educational, professional, or vocational objective as a result of having to discontinue, as described in clause (i) or (ii) of this subparagraph, his or her course pursuit.

(C) The period for which, by reason of this subsection, an educational assistance allowance is not charged against entitlement or counted toward the applicable aggregate period under section 3695 of this title shall not exceed the portion of the period of enrollment in the course or courses for which the individual failed to receive credit or with respect to which the individual lost training time, as determined under subparagraph (B)(iii) of this paragraph.

(D) The amount in the fund for each eligible veteran who received a payment of an educational assistance allowance described in subparagraph (B) of this paragraph shall be restored to the amount that would have been in the fund for the veteran if the payment had not been made. For purposes of carrying out the previous sentence, the Secretary of Defense shall deposit into the fund, on behalf of each such veteran, an amount equal to the entire amount of the payment made to the veteran.

(E) In the case of a veteran who discontinues pursuit of a course or courses as described in subparagraph (B) of this paragraph, the formula for ascertaining the amount of the monthly payment to which the veteran is entitled in paragraph (2) of this subsection shall be implemented as if -

- (i) the payment made to the fund by the Secretary of Defense under subparagraph (D) of this paragraph, and
- (ii) any payment for a course or courses described in subparagraph (B) of this paragraph that was paid out of the fund,

had not been made or paid.

(b) Any enlisted member of the Armed Forces participating in the program shall be eligible to enroll in a course, courses, or program of education for the purpose of attaining a secondary school diploma (or an equivalency certificate), as authorized by section 3491(a) of this title, during the last six months of such member's first enlistment and at any time thereafter.

(c) When an eligible veteran is pursuing a program of education under this chapter by correspondence, such eligible veteran's entitlement shall be charged at the rate of 1 month's entitlement for each month of benefits paid to the eligible veteran (computed on the basis of the formula provided in subsection (a)(2) of this section).

(d)(1) Subject to the provisions of paragraph (2) of this subsection, the amount of the educational assistance benefits paid to an eligible veteran who is pursuing a program of education under this chapter while incarcerated in a Federal, State, local, or other penal institution or correctional facility for conviction of

a felony may not exceed the lesser of (A) such amount as the Secretary determines, in accordance with regulations which the Secretary shall prescribe, is necessary to cover the cost of established charges for tuition and fees required of similarly circumstanced nonveterans enrolled in the same program and the cost of necessary supplies, books, and equipment, or (B) the applicable monthly benefit payment otherwise prescribed in this section or section 3233 of this title. The amount of the educational assistance benefits payable to a veteran while so incarcerated shall be reduced to the extent that the tuition and fees of the veteran for any course are paid under any Federal program (other than a program administered by the Secretary) or under any State or local program.

(2) Paragraph (1) of this subsection shall not apply in the case of any veteran who is pursuing a program of education under this chapter while residing in a halfway house or participating in a work-release program in connection with such veteran's conviction of a felony.

(e)(1) Subject to subsection (a)(1) of this section, each individual who is pursuing a program of education consisting exclusively of flight training approved as meeting the requirements of section 3241(b) of this title shall be paid educational assistance under this chapter in the amount equal to 60 percent of the established charges for tuition and fees which similarly circumstanced nonveterans enrolled in the same flight course are required to pay.

(2) No payment may be paid under this chapter to an individual for any month during which such individual is pursuing a program of education consisting exclusively of flight training until the Secretary has received from that individual and the institution providing such training a certification of the flight training received by the individual during that month and the tuition and other fees charged for that training.

(3) The entitlement of an eligible veteran pursuing a program of education described in paragraph (1) of this subsection shall be charged at the rate of one month for each amount of educational assistance paid which is equal to the monthly benefit otherwise payable to such veteran (computed on the basis of the formula provided in subsection (a)(2) of this section).

(4) The number of solo flying hours for which an individual may be paid an educational assistance allowance under this subsection may not exceed the minimum number of solo flying hours required by the Federal Aviation Administration for the flight rating or certification which is the goal of the individual's flight training.

Sec. 3232. Duration; limitations

-STATUTE-

(a)(1) Except as provided in paragraphs (2) and (3), and subject to paragraph (4), of this subsection, educational assistance benefits shall not be afforded an eligible veteran under this chapter more than 10 years after the date of such veteran's last discharge or release from active duty.

(2)(A) If any eligible veteran was prevented from initiating or completing such veteran's chosen program of education during the delimiting period determined under paragraph (1) of this subsection because of a physical or mental disability which was not the result of such veteran's own willful misconduct, such veteran shall, upon application made in accordance with subparagraph (B) of this paragraph, be granted an extension of the applicable delimiting period for such length of time as the Secretary determines, from the evidence, that such veteran was so prevented from initiating or completing such program of education.

(B) An extension of the delimiting period applicable to an eligible veteran may be granted under subparagraph (A) of this paragraph by reason of the veteran's mental or physical disability only if the veteran submits an application for such extension to the Secretary within one year after (i) the last date of the delimiting period otherwise applicable to the veteran under paragraph (1) of this subsection, or (ii) the termination date of the period of the veteran's mental or physical disability, whichever is later.

(3) When an extension of the applicable delimiting period is granted an eligible veteran under paragraph (2) of this subsection, the delimiting period with respect to such veteran shall again begin to run on the first day after such veteran's recovery from such disability on which it is reasonably feasible, as determined in accordance with regulations prescribed by the Secretary, for such veteran to initiate or resume pursuit of a program of

education with educational assistance under this chapter.

(4) For purposes of paragraph (1) of this subsection, a veteran's last discharge or release from active duty shall not include any discharge or release from a period of active duty of less than 90 days of continuous service unless the individual involved is discharged or released for a service-connected disability, for a medical condition which preexisted such service and which the Secretary determines is not service connected, for hardship, or as a result of a reduction in force as described in section 3011(a)(1)(A)(ii)(III) of this title.

(b)(1) In the event that an eligible veteran has not utilized any or all of such veteran's entitlement by the end of the delimiting period applicable to the veteran under subsection (a) of this section and at the end of one year thereafter has not filed a claim for utilizing such entitlement, such eligible veteran is automatically disenrolled.

(2)(A) Any contributions which were made by a veteran disenrolled under paragraph (1) of this subsection and remain in the fund shall be refunded to the veteran after notice of disenrollment is transmitted to the veteran and the veteran applies for such refund.

(B) If no application for refund of contributions under subparagraph (A) of this paragraph is received from a disenrolled veteran within one year after the date the notice referred to in such subparagraph is transmitted to the veteran, it shall be presumed that the veteran's whereabouts is unknown and the funds shall be transferred to the Secretary for payments for entitlement earned under subchapter II of chapter 30.

(c)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a licensing or certification test described in section 3452(b) of this title is the lesser of \$2,000 or the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for such licensing or certification test is equal to the number (including any fraction) determined by dividing the total amount paid to such individual for such test by the full-time monthly institutional rate of the educational assistance allowance which, except for paragraph (1), such individual would otherwise be paid under this chapter.

(3) In no event shall payment of educational assistance under this subsection for such a test exceed the amount of the individual's available entitlement under this chapter.

(d)(1) Subject to paragraph (3), the amount of educational assistance payable under this chapter for a national test for admission or national test providing an opportunity for course credit at institutions of higher learning described in section 3452(b) of this title is the amount of the fee charged for the test.

(2) The number of months of entitlement charged in the case of any individual for a test described in paragraph (1) is equal to the number (including any fraction) determined by dividing the total amount of educational assistance paid such individual for such test by the full-time monthly institutional rate of educational assistance, except for paragraph (1), such individual would otherwise be paid under this chapter.

(3) In no event shall payment of educational assistance under this subsection for a test described in paragraph (1) exceed the amount of the individual's available entitlement under this chapter.
