Iowa State Veteran's Benefits

The state of Iowa provides several veteran benefits. This section offers a brief description of each of the following benefits.

- Housing Benefits
- Financial Assistance Benefits
- Education Benefits
- Other State Veteran Benefits

Note: Iowa has added the following new benefits for Veterans

1. The Iowa Veteran's Housing Grant Program gives a \$5,000 matching grant to any veteran for the purchase of a home, tax free. To qualify, the service member must have served on active duty under title 10, 90 days or more after 9-11-2001. Active duty for training does not count. For more information, log onto <http://www.ifahome.com>. Veterans also receive an annual property tax exemption on their homes.
2. The State of Iowa also provides a program called the Injured Veteran Grant Program. The State of Iowa provides grants to any Iowa veteran injured in a combat zone while in the line of duty. The injury does not have to be combat action related. To qualify, the injured veteran must be medically evacuated from a combat zone. Within one week of evacuation, the veteran or his/her designated family member receives a check in the amount of \$2,500. The veteran will continue to receive \$2,500 every 30 days while he or she is receiving medical treatment, up to a maximum of \$10,000. This grant is provided by the state to help offset the additional financial burdens veterans and their families incur during convalescence.
3. If you join the Iowa National Guard, the State of Iowa will pay 100% of your college tuition for four years, up to a maximum of what the state universities cost. At the current rate, that's about \$6,000 a year. This amount can be applied to attend any private or independent college as well. Guardsmen can then use their GI bill to pay for other expenses.

Injured Veterans Grant Program

Senate File 2312 enacting the injured veterans grant program, which is retroactively applicable to veterans injured after September 11, 2001. A total of \$1 million has been appropriated to the Iowa Department of Veterans Affairs (IDVA) to fund this program. The purpose and legislative intent of this program is to provide immediate financial assistance to the veteran so that family members may be with the veteran during recovery and rehabilitation from an injury or illness received in the line of duty in a combat zone or in a designated hostile fire zone. Since the program is retroactive, it is also intended to reimburse veterans injured after September 11, 2001.
