Financial Hardship? In-Between Jobs?

VA's Medical Care Hardship program may help you qualify for VA Health Care enrollment!

If your income has recently changed, you may qualify for enrollment even if it was denied previously based on your household income. Or, perhaps you have put off applying for enrollment because you think your income is too high. Now may be the time to provide updated financial information or apply for enrollment.

Personal circumstances such as loss of employment, sudden decrease in income, or increases in out-of-pocket family health care expenses factor into VA's hardship determination.

If your current and projected financial situation puts you below the VA Means Test Threshold or Geographic Means Test Threshold for your area, you may qualify for enrollment and cost-free VA medical care.

For additional information and qualifications for this program, contact your local VA Medical Center Enrollment Coordinator at

You may also contact VA's health benefits service center toll-free at 1-877-222 VETS (8387) or visit our website at www.va.gov/healtheligibility
