Medication Copayment Rate

VA charges a copay for each 30-day or less supply of medication provided on an outpatient basis for the treatment of a non service-connected condition.

Current copay amounts are:

Priority Groups	Copay Amount		
	1–30 day supply	31–60 day supply	61–90 day supply
2 through 6	\$8	\$16	\$24
7 and 8	\$9	\$18	\$27

Copayments stop each calendar year for priority groups 2-6 once a \$960 cap is reached.

These changes apply to:

- Veterans without a service-connected condition, or
- Veterans with a disability rated less than 50%
 - who are receiving outpatient treatment for a non service-connected condition, and
 - whose annual income exceeds the limit set by law.

Note: Medication copayments do not apply to former Prisoners of War, catastrophically disabled Veterans, or those covered by other exceptions as set by law.
