Open Letter on Being PC-11-04-14

Message sent to the following recipients:

Senator Boxer
Senator Feinstein
Representative Calvert
President Obama

Message text follows:

Dear Congressman Calvert:

Maybe you can answer me why?

Why must OUR Country be politically correct and acceptable of others coming to our country?

Iâ€™m 55 years old, but when I was in school we were taught that foreigners coming to our country and wishing to become US Citizens had to assimilate to OUR way of life.

They had to learn to read, speak and write in ENGLISH, had to learn the Constitution, Bill of Rights, Pledge of Allegiance, National Anthem.

Now we're a "Press 1" for ENGLISH which should be our National official Language!

Being "Politically Correct" has gotten way too far out of control to the point others wish to trample all over OUR rights as American citizens.

It's gotten so far out of control states and federal governments have to print pamphlets, brochures, ballots, etc in multiple foreign languages.
Absolutely insane and costs WE THE PEOPLE too damn much!

Again, if Congress mandated ENGLISH be the official language of the United States, and no other country flag be allowed to be flown in our country with the except of foreign embassies.

People are losing jobs, homes, lives because they're PROUD AMERICANS who don't want to see other countries flags being flown, let alone above the United States Flag which is illegal.

Homeowner Associations banning the flying of US Flags, which is a direct violation of our Rights.

So I do look forward as to how you will address this issue in Congress. I already know how Senators Feinstein and Boxer will go.

Sincerely,

Jim Davis
