Additional for A/A spouse (see footnote b)	\$101	\$115	\$129	\$144

FOOTNOTES:

- 1) Rates for each school child are shown separately. They are not included with any other compensation rates. All other entries on this chart reflecting a rate for children show the rate payable for children under 18 or helpless. To find the amount payable to a 70% disabled Veteran with a spouse and four children, one of whom is over 18 and attending school, take the 70% rate for a veteran with a spouse and 3 children, \$1,591, and add the rate for one school child, \$176. The total amount payable is \$1,767.
- 2) Where the veteran has a spouse who is determined to require A/A, add the figure shown as "additional for A/A spouse" to the amount shown for the proper dependency code. For example, veteran has A/A spouse and 2 minor children and is 70% disabled. Add \$101, additional for A/A spouse, to the rate for a 70% veteran with dependency code 12, \$1,537. The total amount payable is \$1,638.
