Ufficio Speciale per Seveso  
ATTN: Dr. Umberto Fortunati  
Via San Carlo #4  
Seveso (Milano), Italy

Dear Dr. Fortunati:

I have enclosed a detailed itinerary for your visit to the United States. On behalf of the Agencies and Offices that you, Mr. Piepoli and Dr. La Porta will be visiting, I extend to you our invitation to visit and exchange Scientific information. The cost of your trip will be covered by the States of New York and Missouri, St. Louis University and the Veterans Administration. Costs for your airplane tickets will be reimbursed upon your return to Italy, but the costs of the hotels and meals will be covered by the above parties during your stay. In the itinerary I have suggested specific airline flights and times but you must confirm the reservations when you purchase the tickets in Milano. I know that the itinerary and associated agendas will be very busy for the three of you as I have designed it for maximum exchange of information. However, the hospitality of your hosts will contribute to an enjoyable visit.

Please extend my best to Senator Noe and my thanks for his support of your upcoming visit.

Best wishes,

ALVIN L. YOUNG, LT COL USAF, Ph.D.  
Special Assistant for Environmental Sciences  
Agent Orange Projects Office
