MEMORANDUM FOR Richard Johnson

FROM : Darryl Garrett *DG*

SUBJECT : Unauthorized Use of OSTP Stationery

Telecom : From David Newhall, Principal Deputy Assistant Secretary of Defense for Health Affairs; 697-2111. May 29, 1986.

Mr. Newhall called to inform us that a Maj. Gen. John Murray, USA(ret), sent a letter on OSTP stationery to Cabinet-level officials on his opinions of a current study on Agent Orange. The letter was sent to the head of the VA, Admiral Crowe, and Secretary Weinberger, among others. Murray was a member of a subpanel on Agent Orange that Dr. Young chaired. A copy of the letter sent to Weinberger is attached.

Murray evidently represented himself to some people that Newhall has talked to as a "volunteer consultant" to OSTP. Murray is not now, nor has he ever been a consultant for OSTP. The HHS is coordinating any press queries. Any calls on this matter can be referred to Stephanie Lee-Miller, HHS, at 245-1850.

Al Jung met c Undersecretary Newman
& gave him concl. off subpanel.
& told him that Murray had sent his
letter. Al told Murray that Murray should
send only draft -- Murray agreed.

Newman said to Karl Keller -- prepare
a white paper -- talking pts -- for
discussion with Murray. Keller did
this.

Call Newman tomorrow; find out
if Newman talked to Murray.
