Dear Senators Feinstein & Boxer, Congresswoman Sanchez, President Obama:

I honestly don't know where your heads are when it comes to immigration, amnesty, and protecting our borders.

But I strongly urge you NOT to support any form of amnesty. And below are 17 points as to why you should NOT support any form of amnesty, and these are just a few.

- (1) CBO admits will cut illegal immigration by only 25% ( Loop holes and waivers FILL this Amnesty Bill)
- (2) CBO admits wages will decrease for real American workers and real Americans WILL lose jobs.
- (3) What happens to the TENS of MILLIONS of real Americans looking for jobs ?
- (4) Why are illegals who have broken laws and those already deported given permission to get Amnesty ?
- (5) Why is the fine so cheap and based only on getting Amnesty. Meaning if you don't get Amnesty you won't have to pay fines.
- (6) They promised no more Amnesties in 1986. They told us ALL the SAME BS in 1986 !
- (7) They PROMISED over 700 miles of protective fence in 2007. A BILL was passed. But then the Democrats DEFUNDED and prevented it from happening. Another LIE to the American people.
- (8) Amnesty for 12-20 Million illegal immigrants that broke American LAWS , after Amnesty, will be able to bring in tens of MILLIONS of their family members.
- (9) NO "Deportation Teeth" orders are in the Bill if these illegals refuse to learn English. The so called "English" test will be less than Kindergarten level, pass it once and forget English afterwards.
- (10) There are NO ROCK solid guarantees that all the border and interior security measures will continue AFTER FULL CITIZENSHIP-AMNESTY has been given. Just like the 1986 so called "Last Amnesty" and the 2007 "Border Fence Bill" that was NEVER BUILT !!!It's ALL a LIE to get Amnesty.
- (11) Cost of Amnesty to U.S. Taxpayers: \$6.3 Trillion

<http://blog.heritage.org/2013/05/06/cost-of-amnesty-to-u-s-taxpayers-6-3-trillion/>

- (12) Google: How many Americans are killed a day by illegal immigrants.
- (13) Many of the terrorist who have killed Americans are in the Country illegally.
- (14) Most of the illegal drugs that enter the USA are through the SAME routes as illegal immigrants. This is why Democrats DONT WANT the BORDER secured. Even if it's a HUGE SOURCE of crime and loss of life in the United States.
- (15) The Amnesty Bill will create an ENDLESS stream of legal and illegal immigration from the VERY SAME PEOPLE ( SAME problems for the United States ) who are breaking our laws now. The VERY SAME SOURCE will continue to reap the benefits of ILLEGAL IMMIGRATION.
- (16) Democrats have inserted countless loop holes, waivers and back doors for MILLIONS of them to enter the United States in exchange for "Safety" to the American people. Sounds like Black Mail to me. How about we protect AMERICANS, enforce our laws with out REWARDING criminals !
- (17) Who gets to decide what laws to obey and what laws to ignore in large enough numbers to be rewarded ? Want to be if 12-20 Million Americans stopped paying taxes OUR GOVERNMENT would not give them "Amnesty"

You had all voted and had a bill passed that would secure our borders twice now, then the democrats defunded the program and here we are with millions more illegal aliens in our country slapping those in the face who immigrated properly.

And Congresswoman Sanchez, you wrote to me and told me you supported it and the reason you gave was employee taxes on payroll, that is not sufficient to warrant approval of amnesty.

How many do pay income tax through payroll, but never file a tax return, and never claim "other" income?

Do you all honestly believe they abide by all laws of our country? Well they don't!

They even vote in elections illegally because we don't make people prove they're a citizen. All they have to do is register and show a utility bill or a check cashing card and boom they can vote.

And how many don't marry so the "wife" aka girlfriend can claim welfare at an estimated \$833 per child? And I know for fact of 9 women on welfare and each has multiple children, and nearly all of their children are 1 year in age apart and most have four children, that's a burden on taxpayers of \$3,332 per month, and that doesn't include WIC, EBT, Food Stamps, or HUD assistance.

And when you add all that up WE the people are paying them MORE than any average person in the United States earns in a month.

This is fair?

Or consider the fraud in the welfare system. You get these "entitlements" for a set period of time, once that time runs out, no problem, get new ID, move, and re-apply under a different name and you're back on the dole.

And when a Veteran or a Senior Citizen applies for food stamps the average person might get all of a whopping \$27.00 per month! And this is fair or right?

So I'm personally asking you to NOT support any form of amnesty. If they want to come into the United States then let them do it the right and legal way!

Regards,
