Senator Boxer
Senator Feinstein
Congresswoman Sanchez
President Obama

Dear Senators Boxer & Feinstein and Congresswoman Sanchez and President Obama:

Your knee jerks actions toward gun control are just that knee jerk reactions.

Let me provide you some hard cold facts!

In 2011, there were 323 deaths by semi-automatic rifles, 496 deaths by a hammer, 650 deaths by knife, 12,000 deaths by drunk drivers, 195,000 deaths by malpractice.

You're several hundred more times likely to die by Obamacare than rifle, hammer, knife or a drunk driver, but of course you've exempted yourselves from this legislation!

In late March 2013, 17 year old De'Marquis Elkins shot and killed a 13 month old baby who was sitting in a stroller.

Elkins shot the infant in the face after the mother refused to give him money.

He also shot the mother in the leg and the neck in Brunswick, GA.

De'Marquis Elkins is not a member of the NRA.

He did not use an assault rifle.

He did not get his stolen pistol from a gun show.

His favorite music is rap.

He did not attend Christian school, nor was he home schooled.

He did attend multicultural public education,
and was not instructed in the Ten Commandments.

His Momma was on welfare, got food stamps, and lived in public housing.

His daddy was not around, and his two brothers have a different daddy.

He already has a record for violent crimes.

He is a gang member.

His mom, grandma, and Aunty all voted for Obama.

He never earned his hunter safety card, nor did he shoot CMP, Junior NRA, or 4H Air Rifle Competitions.

He was never instructed in gun safety from his father or grandfather.

His public education and family taught him that the white man owes him something.

He went to collect it.

He has no plans on getting married, but does have a Baby Momma, and no, he is not supporting her baby.

He smokes dope.

He does respect Kayne West.

While he has no job, nor is looking for one, he is well fed.

He has no skills outside of crime.

He speaks Ebonics, and is not capable of doing a professional interview, even though he spent 11 years in public education.

He is one of millions.

Sanctimonious, self-righteous and largely ignorant liberal democrats think gun control is the solution to making America safer! Ha! Make no mistake -- animals like Elkins will have their guns. Conan O'Brian and "The Coolest Man in the Room" (aka Obama) will continue to make jokes about "Jesus H. Gun," and, in the meantime, our tax dollars will continue to pay for the continuation of a system that breeds miserable SOB's like this one.

While I agree people should be put through a thorough background check, and possibly increasing or strengthening the checks is or may be warranted, banning or forcing law abiding American citizens to register every weapon or to surrender legal purchased weapons is not the answer.

And no matter how much legislation you enact, if someone wants a semi-automatic weapon bad enough they will continue to find ways to get them, and law enforcement is helpless!

Think twice before enacting any laws, and should you decide to move forward, think about giving up your personal body guards!

Respectfully,
