WORLD WAR II FILIPINO VETERANS EQUITY COMPENSATION FUND

The President of the United States signed the American Recovery and Reinvestment Act of 2009 on February 17, 2009, authorizing the release of a one-time, lump-sum payment to eligible World War II (WWII) Philippine veterans. These payments are to be made through the U.S. Department of Veterans Affairs from a \$198 million appropriation established for this purpose. Applying for this benefit will not affect other existing Veterans benefits.

Q: Who is eligible for the new benefit, a one-time payment authorized by the American Recovery and Reinvestment Act of 2009?

- Persons who served before July 1, 1946, in the organized military forces of the Government of the Commonwealth of the Philippines, while such forces were in the service of the Armed Forces of the United States;
- Members of the organized guerrilla forces under commanders appointed, designated, or subsequently recognized by the Commander in Chief, Southwest Pacific Area, or other competent authority in the Army of the United States;
- Persons who served in the Philippine Scouts under Section 14 of the Armed Forces Voluntary Recruitment Act of 1945.
- To be eligible for the new benefit, service members in each of the three categories above must have been discharged or released from service under conditions other than dishonorable.

Q: How do I apply for this benefit?

- The United States Department of Veterans Affairs is now accepting claims. Claims can only be accepted from Filipino WWII veterans. We encourage all Filipino WWII veterans to apply in person. If a veteran is unable to appear in person, the U.S. Department of Veterans Affairs Manila Regional Office will arrange to obtain the application in an appropriate manner. Claims from spouses, widows and children of Filipino WWII veterans cannot be accepted.

Q: Where do I apply for this benefit?

- Filipino WW II veterans can inquire about or submit a claim at the U.S. Department of Veterans Affairs Manila Regional Office located at the U.S. Embassy in Manila, Philippines. The United States Department of Veterans Affairs will also have representatives available to accept claims at the Philippines Veterans Affairs Office and the Philippine's Veterans Memorial Medical Center in Quezon City beginning February 19, 2009 through February 27, 2009. Additionally, the United States Department of Veterans Affairs will have representatives at following venues throughout the Philippines on the dates indicated:
