## *Gamer's Lament*

8/2 & 9/16/14

A total time sink.  
Not a little eyeblink  
Allowed, On a raid  
You dawdle in the shade,  
You're kicked as a boob  
And labeled a noob.

And then there's the grind.  
Even the end game you find  
Means endless death match slogs  
Through fetid fens and no-bottom bogs.  
Just to win that higher tier  
Armor, sword and other gear.

To face boss after boss  
Doomed to repeat after loss.  
Dead again by storm and flame.  
Half the party says you're to blame.  
And when fortune's wheel stops at top,  
To another does your sought prize drop.
