Message sent to the following recipients Regarding Impeaching Obama-07-28-14:

Senator Boxer
Senator Feinstein
Representative Calvert
President Obama

Message text follows:

Dear Senators Feinstein & Boxer, and Congressman Calvert,

Our lawmakers do nothing but sit by idly as President Obama destroys the country we love.

He's gone too far—allowing millions of illegals to get free health care and an education on our backs while they siphon our welfare systems.

At every turn he violates laws, including giving the green light to a mass unlawful gun grab...by doing nothing during the cold-blooded murder of Americans in Benghazi...allowing the IRS to target conservatives...and even spying on Americans!

And that's just for starters. Martial Law is drawing dangerously close

Again, I come to you asking you take or begin actions either through your own office or by encouragement to others who can and will do the job.

Rep. Lou Barletta, R-Pa—is now saying he would vote to impeach Obama. This is significant.

Obama has demonstrated nothing less than disregard and disrespect for the office of the President of the United States.

Do you have what it takes to do the right thing? If not, then I respectfully demand that you resign your position and allow someone else who just might have the back bone to take care of Americans and Veterans first and foremost!

And please also remember YOU work for WE THE PEOPLE, we don't work for you, and you also do not work for the POTUS.

I'm counting on you! Do you have our backs or not?

Respectfully,

Jim Davis
