Dear Dr Young,

I am writing to advise that I have taken over from Jaque Grinberg responsibility for Agent Orange and other Veterans' Affairs matters. Jaque has been cross-posted to Lagos.

As well as introducing myself, I should be grateful for any comments or copies of reviews you may have on a report on a major Swedish study which was published recently. The report by Wiklund and Holm is entitled "Soft Tissue Sarcoma Risk in Swedish Agricultural and Forestry Workers" and was published in Journal of the National Cancer Institute, Vol 76, No.2, February 1986.

Thank you for your assistance in this matter.

Yours sincerely,

(W.F. Ginnivan)
