EXECUTIVE OFFICE OF THE PRESIDENT
OFFICE OF SCIENCE AND TECHNOLOGY POLICY
WASHINGTON, D.C. 20506

May 3, 1985

Dear Dr. Freeman:

Please accept my thanks and appreciation for your gracious hospitality shown to me, Dr. Flicker and to my Italian guests. We thoroughly enjoyed the evening of fellowship and scientific dialogue on the critical science issues associated with the dibenzo-p-dioxins. The work that you, and Mr. Schroy are involved in is essential if we are to understand the environmental fate of TCDD. I applaud you for your scientific zeal and for the dedication to doing the job right!

Sincerely,

Alvin L. Young, Ph.D.
