Docket No. 295

DOW RESPONSE TO EDF MOTION TO  
INTERVENE

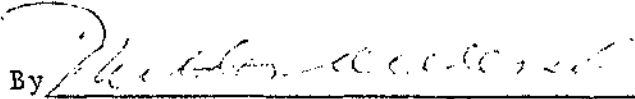

This submission is furnished by Registrant The Dow Chemical Company ("Dow") in response to the Motion to Intervene of Environmental Defense Fund, Inc., Consumers Union of United States, Inc., and Harrison Wellford (collectively hereinafter referred to as "EDF"), served by mail on October 9, 1973.

As previously stated in Dow's Modification of Requests, also served by mail on October 9, 1973, EDF has for some time been the principal opponent of continued registration and use of 2,4,5-T. Accordingly, and without admitting any of the allegations of the Motion to Intervene, Dow has no objection to the granting of EDF's Motion to Intervene.

Dated: New York, New York  
October 15, 1973

Respectfully submitted,

KAYE, SCHOLER, FIERMAN, HAYS  
& HANDLER
