GAO Request

Ms. Kathy Payman, Government Accounting Office, contacted Dr. Alvin L. Young, Special Assistant for Environmental Sciences, Agent Orange Projects Office, for a copy of any documentation forming the basis for Agent Orange news articles published on August 30, 1983. These articles referred ^{to} data collected from the Veterans Administration's Agent Orange Registry. Ms. Payman was asked to present her specific requests on a formal(written) basis.

DONALD L. CUSTIS, M.D.

Washington, D.C. 20420

Dear Ms. Payman:

Thank you for your inquiry on the materials presented at the 1983 American Chemical Society's Symposium "Chlorinated Dioxins and Dibenzofurans in the Total Environment - II". I have enclosed the following reports:

Preprint Extended Abstract - "Evaluation of Veterans for Agent Orange Exposure" (with attachment August 30, 1983 narrative and tables),

Preprint Extended Abstract - "Rationale and Description of the Federally - Sponsored Epidemiologic Research in the United States on the Phenoxy Herbicides and Chlorinated Dioxin Contaminants".

Preprint Extended Abstract - "Dioxin in Body Fat and Health Status:

A Feasibility Study" (with two tables attached of material presented August 29, 1983)

As noted the material presented on the Agent Orange Registry, but not originally referenced in the published extended abstract, is enclosed so that a current summary of the Registry, to monitor the data in the registry, but such data is not intended to replace the need for data generated by scientifically valid epidemiologic studies.

Sincerely,

ALVIN L. YOUNG, LT COL, USAF, Ph.D.
Special Assistant for Environmental Sciences
Agent Orange Projects Office
