Vancil I Sanderson 6330
Leon Dr.
Sun Valley, NY 89433

Dear Vancil:

Thank you for contacting me with your concerns regarding exposure to Agent Orange and other chemicals on the Territory of Guam. I am always working to improve the V A system and I understand this is an important issue to you.

I believe that all veterans who were exposed to Agent Orange, and who developed illnesses as a result of that exposure, deserve to receive disability benefits and compensation for their sacrifice. I will review the materials that you have provided me and seek additional insight into use of herbicides on Guam.

Thank you again for expressing your concerns and for your service to our nation. Please rest assured that I will continue to work hard to honor our nation's promise to care for our veterans and provide them the benefits they earned and deserve.

Sincerely,

BOB FILNER
Chairman
