Dear Sir,

I am writing on behalf of Robert Burgett. We were stationed together at Pease Air Force Base in New Hampshire. We were sent TDY to Guam sometime during 1967,68, or 1969. We both worked in the supplies. One part of our job included loading, unloading, and stockpiling drums of Agent Orange and other hazardous chemicals. We also transported them in trucks from the supply yard to airplanes.

I have seen the photographs that Robert has of the supply yard, and can state that these photographs were taken in Guam. I am also in one of the photographs; I am driving a forklift.

Sincerely,

Roger Richmond
