Statement from **Robin Dresser**  
R & 5 B 683  
Pecan OK

The following Statement is made in connection with a Claim for Benefits  
in the Case of the Veteran: **Robin Dresser**

I was stationed at **C Battery, First Battalion, Second Air Defense  
Artillery, 38<sup>th</sup>. Brigade**, in **December 1972**. **C ½ ADA** was a crowded mountain top between **Suwon** and  
**Osan, S. Korea**. We ate and slept there, so to be **100%** of the time.

Early one morning, me and several others were assigned the duty of  
escorting some **Koreans** around the **Perimeter** as **Security**, so they could **Spray a Defoliant**.

They had **Sprayers** they carried on their backs and **Sprayed Everything**  
around the top of the mountain. They told us they were spraying for **Marijuana**, but they sprayed  
everything. We followed behind them on foot, so I know we got a good dose of it right then.

It's been **40** years, but I remember like it was yesterday. The Month, I  
can't remember, but it was Spring or just before. I know nothing grew around the **TAC Site** at all. It  
was barren even when I left in **December 1973**.

I will tell this in **Court** and/or take a **Lie Detector Test** if need be.

Since my time there, I have **had Heart Problems, Diabetes Type 2,  
Pre-Cancerous Polyps** and a number of other Ailments. I was **Eye Witness** to this and will **Swear  
Under Oath**, in **Court** as I said, if need be.

**12/31/2012**

Sorry, my Hand Writing is so bad. Like I said, I had **Shoulder Surgery**.

Hope you can read it.
