tion, e.g. certified entomologist.

d. Month herbicide will be applied.

e. Base layout map in four copies with the areas to be treated shaded in red. The map should be signed by both the U.S. and the Thai Base Commanders.

3. Approval must be obtained for each application of herbicide. Requests should be submitted approximately 60 days in advance of desired application date to allow adequate lead time for processing. The departmental requirements for approving the application of herbicides must also be satisfied. The AMEMB approval is in addition to, not in place of these requirements.
