PURPOSE(S):

Automated records provide pertinent information required for proper clemency and parole decisions that the Army Clemency and Parole Board makes for the Secretary of the Army.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSES OF SUCH USES:

In addition to those disclosures generally permitted under 5 U.S.C. 552a(b) of the Privacy Act of 1974, these records contained therein may specifically be disclosed outside the DoD as a routine use pursuant to 5 U.S.C. 552a(b)(3) as follows:

To Federal, State and local confinement/correctional agencies for use in the administration of correctional programs including custody classification, employment, training and educational assignments, treatment programs, clemency, restoration to duty or parole actions, verification of offender's criminal records, employment records, and social histories.

To state and local authorities for purposes of providing (1) notification that individuals, who have been convicted of a specified sex offense or an offense against a victim who is a minor, will be residing in the state upon release from military confinement, (2) information about the individual for inclusion in a State operated sex offender registry and (3) DNA, or deoxyribonucleic acid policy on collecting samples from military prisoners.

To the Bureau of Prisons for purpose of providing notification that the military transferee has been convicted of a sexually violent offense or an offense against a victim who is a minor.

To victims and witnesses of a crime(s) for the purpose of notifying them of date of parole or clemency hearing and other release related activities.

The DoD 'Blanket Routine Uses' set forth at the beginning of the Army's compilation of systems of records notices also apply to this system.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:

Paper records in file folders and electronic storage media.

RETRIEVABILITY:

By prisoner's surname and/or Social Security Number (SSN) and/or register number.

SAFEGUARDS:

All records are maintained in areas accessible only to designated personnel

having official need therefore. Automated data base and output are managed through comprehensive procedures and policies prescribed in system functional users manuals. Regional Data Centers are contractor-operated. Contractor personnel are security screened; employees receive a security briefing and participate in an on-going security education program under the Regional Data Security Officer. Regional Data Centers are connected through a communications network to 44 distributed data processing centers at Army installations. Data are available only to installation personnel responsible for system operation and maintenance. Terminals not in data processing centers are under the supervision of a terminal area security officer at each remote location protecting them from unauthorized use. Access to information is controlled further by a system of assigned passwords for authorized users of terminals.

RETENTION AND DISPOSAL:

Individual correctional treatment records for prisoners in the U.S. Army Corrections System Facilities are retained for 2 years following expiration of sentence/completion of parole/maximum release date, following which they are retired to the National Personnel Records Center for 25 years before destruction by shredding.

Note: Transfer of a prisoner from one facility to another is not construed as release from confinement. When a prisoner is transferred to another facility, his/her file is transferred with him/her.

Information on tape/disc is erased after 3 years.

Army Clemency Board case files are returned on completion of Board action, as appropriate, where they are retained for 2 years following expiration of sentence/completion of parole/maximum release date, following which they are retired to the National Personnel Records Center and maintained for 25 years before being destroyed by shredding.

SYSTEM MANAGER(S) AND ADDRESS:

Office of the Provost Marshal General, 2800 Army Pentagon, Washington, DC 20310-2800; Army Corrections Command, 200 Stovall St, Alexandria, VA 22332-6100.

BILLING CODE 5001-06-P

DEPARTMENT OF EDUCATION

Notice of a Waiver of Section 1605 of the American Recovery and Reinvestment Act of 2009 (ARRA) for Indian River Central School District, Philadelphia, New York

SUMMARY: In this notice, the Department of Education (the Department) announces its waiver of the Buy American requirements in section 1605(a) of the ARRA (Buy American Requirements) for the Indian River Central School District in Philadelphia, New York (Indian River District) and the justification for this waiver. This waiver permits use of compatible telephones, servers, and software as well as American Power Conversion (APC) power supply and surge suppression equipment in the Indian River District's telecommunications project, which is supported with Impact Aid funds appropriated under the ARRA.

SUPPLEMENTARY INFORMATION: The Department provided the Indian River District with an Impact Aid ARRA formula grant for school construction activities authorized under section 8007(a) of the Elementary and Secondary Education Act of 1965, as amended. The Indian River District proposes to use these funds for a telecommunications infrastructure investment, but reports that the particular telecommunication and power supply components needed for this construction project are not produced in the United States.

In accordance with section 1605(c) of the ARRA, the Department hereby provides notice that it is granting a waiver of the Buy American Requirements for the Indian River District's telecommunications project. This notice constitutes the detailed
