For admission to a Louisiana State Veterans Home, a veteran must be a resident of the state of Louisiana. State residence is not mandatory if the applicant is referred from an in-state United States Department of Veterans' Affairs Medical Center or by a Louisiana Department of Veterans' Affairs Veterans' Assistance Counselor. The applicant must agree to abide by all rules and regulations governing the Home. Applicants who have income will be expected to pay for their care as is set forth in the care and maintenance schedule adopted for governing the Home residents. The applicant must undergo an examination to ascertain whether he/she meets the criteria for admission to the Home.
