Questions and Answers	Responses	Percentage of Total Respondents	Percentage of Question Respondents
Q1: Approximately when was the last time you received care from a VA Medical Facility or Community Based Outpatient Clinic??* (Single-answer multiple choice)	103	100.0%	
Within the past 30 days	49	47.57%	47.57%
Between 30 days and six months	27	26.21%	26.21%
Between six months and 2 years	10	9.71%	9.71%
More than 2 years	10	9.71%	9.71%
Never	7	6.8%	6.8%
Q2: If you compare the last time you went to a VA Medical Facility or Clinic to a recent visit to a private hospital, clinic or doctor, were you more satisfied with the quality of care at:?* (Single-answer multiple choice)	103	100.0%	
The VA health care facility or clinic	20	19.42%	19.42%
The private hospital, clinic or doctor	55	53.4%	53.4%
No difference between the two	17	16.5%	16.5%
Does not apply to me	11	10.68%	10.68%
Q3: Should VA health care be available to only wounded combat Veterans or also other Veterans whose injuries are related to their service??* (Single-answer multiple choice)	103	100.0%	
Combat only	4	3.88%	3.88%
Other Injuries	99	96.12%	96.12%
Q4: Should disabled Veterans, including those who have been paralyzed, lost limbs, or been seriously burned, be able to use VA health care for their medical needs, or should VA provide care only for conditions directly related to their military service??* (Single-answer multiple choice)	103	100.0%	
For all of their medical needs	96	93.2%	93.2%
Only for care directly related to their military service	7	6.8%	6.8%
Q5: Do you support the VA expanding the number of Veterans who receive private health care outside the VA, even if it reduces the amount and quality of care that can be delivered to Veterans inside the VA??* (Single-answer multiple choice)	103	100.0%	
Yes, I support more private care paid by the VA even if it hurts VA health care quality	57	55.34%	55.34%
No, I do not support more private care paid by the VA if it hurts health care quality	46	44.66%	44.66%

Questions and Answers	Responses	Percentage of Total Respondents	Percentage of Question Respondents
Q6: If given the choice between waiting 30 days for an appointment to receive care at a nearby VA facility or waiting 30 days for an appointment to receive care through a private provider paid by the VA, which would you choose??* (Single-answer multiple choice)	103	100.0%	
VA Care	41	39.81%	39.81%
Private provider care	62	60.19%	60.19%
Q7: If the VA could not provide an appointment for non-emergency care within 30 days, would you prefer to wait for a VA appointment or would you prefer to find your own private provider and have the VA pay for that care??* (Single-answer multiple choice)	103	100.0%	
Wait for VA care	24	23.3%	23.3%
Find a private provider	79	76.7%	76.7%
Q8: If you have used the VA health care, what would you like to share about your experience?? (Text Field)	80	77.67%	
Answer Provided	80	77.67%	100.0%
Q9: Age?* (Single-answer multiple choice)	103	100.0%	
18 to 29	1	0.97%	0.97%
30 to 39	1	0.97%	0.97%
40 to 49	11	10.68%	10.68%
50 to 59	18	17.48%	17.48%
60 or older	72	69.9%	69.9%
Q10: Gender?* (Single-answer multiple choice)	103	100.0%	
Male	91	88.35%	88.35%
Female	12	11.65%	11.65%
