Dear Congressman Calvert:

Maybe you can answer me why!

Why is it racist to demand federal law to require every AMERICAN CITIZEN have state issued photo ID in order to VOTE?

If all illegals voting were to vote Republican, you could bet your ass there would be laws enacted in a heart beat. But because the Democrats love giving our country away by means of Welfare, HUD assistance, Food Stamps, Education and Medical Care.

If we listen to Democrats it would prevent the black voter from going out to vote! Why is this?

If they can vote, then they can get a photo ID, there's no mental test to get one.

We need Voter ID mandatory in ALL 50 states and we need it now. And ID's and Drivers Licenses should only be issued to those who are here in the country legally and can prove it, and American citizens.

I've read more articles than I care to and of one reporter who voted 19 out of 20 times without ID and using different names. Then I read where over 100 voters in North Carolina also Voted in Florida.

Had it not been for fraud, w'd have had Mitt Romney as POTUS and not this illegal alien we have invading our White House now.

Will you have the courage it takes to draft rock solid no loopholes legislation and without any pork added to it to bring this about?

Sincerely,

Jim Davis
