Message sent to the following recipients regarding Obama & Veterans-07-22-14:

Senator Boxer
Senator Feinstein
Representative Calvert
President Obama

Message text follows:

Dear Senators Feinstein & Boxer, and Congressman Calvert,

Senator Feinstein, for a change I actually appreciated your last reply to an E-Mail I had sent to you. For the first time in nine years you actually responded direct and didn't have a generic reply sent to me.

However, it appears you support our current POTUS and wouldn't dream of even attempting to take action against him!

Since when does our country allow a president to run recklessly and lawlessly over the people?

Obama has demonstrated nothing less than disregard and disrespect for the office of the President of the United States.

His high crimes and misdemeanors cannot and must not go unpunished—Benghazi, the Fast and Furious, NSA spying, IRS abuse of power, Obamacare, freely funding terrorists—the list is long. His illegal trade of five high ranking terrorists for ONE American deserter!

In addition to this, I am sorely disappointed in both houses in their lack of concern over our nations Veterans.

I am honestly sick and tired of the standard replies of how grateful you are for their service yet you sit in your plush offices during the day and in your palatial mansions at night and never once truly give a single thought about them.

No, the numbers of homeless Veterans can't be accurately determined but still rates about 400,000 nationwide. And in this state alone, the Director at the West Los Angeles VA Medical Center has run amok and been allowed total un-checked control. Ms. Donna Beiter, has hired more Gestapo police, installed a million dollar fence, leased out Veteran land to elitist Brentwood Businesses who are all supporters of Congressman Waxman, and Homeless Veterans are turned away, sometimes at gunpoint.

Yet she uses one of the twelve vacant buildings to train silk screening processes to Veterans in a building that is a death trap, it's filled with asbestos.

These buildings, landmarks and historical buildings absolutely MUST be refurbished and converted to housing for homeless Veterans, yet not one member of Congress who resides in the state of California has done a single thing to make this happen.

Senator Feinstein, Senator Boxer, and Congressman Waxman, not one of you has demanded a full forensic audit of this VAMC to locate where all these lease fees are being spent or even if they are or have been accounted for.

Every member of Congress needs to grow a pair of brass balls, and stop writing into legislation your pork spending, draft legislation that stands alone for what you think Californian's need.

Start focusing on those here at home long before you even consider sending money to foreign countries who for the most part do not even support the United States.

IF you were spending your own money, YOU would put YOUR families first, isn't it time you began to put AMERICANS and especially VETERANS first?

In regard to the POTUS demand for funds for Illegals, DO NOT DO THIS! We do NOT need Immigration reform, we do NOT need Amnesty, our laws are not broken, they're just outright NOT enforced. And why is this?

Because we have a Congress and a POTUS with absolutely no back bone to do the right thing!

If they came here illegally, then pack them on buses, C-130's what ever, and return them to their country of origin immediately.

STOP giving away our country to those who can't and will not follow our laws.

Do you have what it takes to do the right thing? If not, then I respectfully demand that you resign your position and allow someone else who just might have the back bone to take care of Americans and Veterans first and foremost!

And please also remember YOU work for WE THE PEOPLE, we don't work for you, and you also do not work for the POTUS.

I'm counting on you! Do you have our backs or not?

Respectfully,

Jim Davis
