2. A review of the fixed-wing aircraft dispersal of insecticides reveals a need to modify and possibly restructure the above targets. This office is preparing to evaluate all targets currently being dispersed. Deletion or additions of any targets will be furnished to the appropriate quarters at a later date.

3. Request that the command continue to maintain the current status of the targets and to provide the necessary support for the dispersal of insecticides.

SUBJECT: Aerial Disposition of Insecticides

1. Direct coordination between 31st TAC and this headquarters has been established for evaluation of the current target areas.

FOR THE COMMAND SURGEON:

DAVID L. FOWLER
MAJ, MSC, USA
Chief, Administrative Division
