VA Adds Ships to Agent Orange Exposure List

This week the VA has added the below named ships to the already existing list for Navy and Coast Guard ships and vessels that are presumed to have been exposed to Agent Orange. If you served on any of these mentioned ships and you have had a claim denied, you should reapply citing the VA list as the source for your reapplication. NAUS is told the VA is already working on a third list that will have more ships listed. If you have a claim and evidence the ship you served on was in Vietnamese waters and/or actually tied up to a dock there, make sure you include that with your claim.
