## ***Kadena Okinawa PROVEN AO TOXIC***

KADENA USAFB, OKINAWA JAPAN PROVEN TOXIC WITH STRATEGIC HERBICIDES (AO) AND BENZENES IN THE LEAST.

PROVEN WITH USA OFFICIAL DOCUMENTATION

Forward, repost, - make as many Veterans and families aware as possible!

It is PROVEN with USA documentation, THOUSANDS of US military troops and their families (Okinawa was a family accompanied tour for many troops) have been contaminated with strategic herbicides, benzenes and other toxic chemicals since the 1950's!

The barricades surrounding US silence on AO toxicity of Okinawa, and specifically Kadena AFB Okinawa are BROKEN ! The drinking water, soil, dust, air, and vegetation on Kadena USAF Base is PROVEN to have been contaminated for DECADES ! Buried toxic chemical dumps were ON BASE!

If you were stationed at Kadena AFB Okinawa Japan - AT ANY TIME - you WERE contaminated via the water you drank, the food you ate, the soil, the dust, the vegetation against which you brushed on base! If accompanied, your wife and children were contaminated!

YOUR WIVES AND CHILDREN - WERE - CONTAMINATED AT KADENA AFB! Our government knew this and hid it for decades!

I have just been supplied an early preview of official, legally citable, USAF, DOD, and Official Okinawan documentation PROVING the USAF, DOD, and USA KNEW AO and other toxins had been buried, stored, and used in the island since the 1940's, and; that the dumping grounds have been discovered!

Stay tuned into where-ever this email post came from to you. . .

I will post as much as I can, and links to the documents as fast as I can - before "big brother" attempts to shut it down. I will start with the most damning documentations!

I have already downloaded, digitized, and multiply safely stored copy of the most damning documentation so that it cannot be disappeared!

Others will likely also post the information.

PAY ATTENTION, these documentations are worth MILLIONS of dollars in VA service connected disability claims and Veterans' and families' deprivation of civil rights litigations against VA, their branch of service, DOD, and USA !!!!!

Lawyers will be making money on these actions for decades!
