Gentrification, A Quandary 08/05-06/2018

["The Schumpeterians have all along gloried in capitalism's endless creativity while treating the destructiveness as mostly a matter of the normal costs of doing business." - Social Geographer David Harvey on *Creative Destruction*]
[Lk 15:22-23]

Ebb and flow,
The places of man,
A limited span
In form and presence.

~

Expansion, contraction,
Arriving, birthing,
Leaving, dying,
All wind in the grass.

~

The forgotten remembered,
It, for its nature,
Them, removable fixtures,
Renew for me, not thee.

~

Use artist and chef,
Lease till comes its rise
Instruments to cleanse
Out them, unwanted others.

~

The price in lives...
Who shall pay?
But Lazararus shall have his day
In the final court.

- Gerald Alan Ney
