ITEM 17. You will not be eligible to receive benefits for any period for which you or the qualifying individual on whose account you are claiming benefits has an outstanding felony warrant. Any benefits paid to you for such period will result in an overpayment and be subject to collection.

ITEM 18.

18A. Select the benefit for which you are applying.

To qualify for Survivors' and Dependents' Educational Assistance (DEA) you must be either -

- (1) The spouse or child of a veteran who is permanently and totally disabled as a result of a service-connected disability.
- (2) The spouse or child of an individual on active duty who has been listed as missing in action, captured in line of duty by hostile force, forcibly detained or interned in line of duty by hostile force, or forcibly detained or interned in line of duty by foreign government or power for more than 90 days.
- (3) The surviving spouse or child of a veteran who died of a service-connected disability or who dies while a service-connected disability was rated permanent and total in nature.
- (4) The spouse or child of an individual on active duty for which the evidence shows that the individual is hospitalized for receiving outpatient medical care services or treatment; has a total disability permanent in nature incurred or aggravated in the line of duty in the active military, naval, or air service; and the serviceperson is likely to be discharged or released from such service for such disability.

Eligibility for DEA will be terminated in the event that VA determines that the individual on whose account benefits are claimed is no longer totally disabled or VA is notified that the individual is no longer listed as captured, missing in action, or forcibly detained.

18B. To qualify for the Fry Scholarship, you must be the child of an individual who after September 10, 2001, died in the line of duty while serving on active duty as a member of the Armed Forces.

18A. & 18B. Types of education or training programs are self-explanatory, except for the following -

"Licensing or Certification Test." A licensing test is a test offered by a state, local, or federal agency that is required by law to practice an occupation. A certification test is a test designed to provide affirmation of an individual's qualifications in a specific occupation.

"National Admission Exam or National Exam for Credit." Individuals eligible to receive benefits under the Survivors' and Dependents' Educational Assistance program may be reimbursed for the cost of approved tests for admission to or credit at institutions of higher learning.

"Correspondence." Only spouses and surviving spouses eligible for the Survivors' and Dependents' Educational Assistance program may receive benefits for correspondence training. Payments for correspondence courses are made quarterly after VA receives a certification showing the number of lessons completed. For more information on correspondence courses, please visit our website at www.gibill.va.gov.

INFORMATION AND INSTRUCTIONS (Continued)

ITEMS 23 and 24. Any individual eligible under the Survivors' and Dependents' Educational Assistance program may receive Special Restorative Training or Specialized Vocational Training if a VA counselor determines that a specialized program is needed to overcome the effects of a physical or mental handicap. To be eligible for receipt of specialized training, the disability must prevent you from pursuing an educational program. Examples of Special Restorative Training include speech and voice correction, language retraining, lip reading, and Braille reading and writing. Specialized Vocational Training consists of specialized courses leading to a suitable vocational objective.

ITEM 26. Your election to receive Survivors' and Dependents' Educational Assistance (DEA) is final and cannot be changed. This means that payments of compensation, pension, and Dependents' Indemnity Compensation (DIC) will be terminated upon issuance of a DEA benefit payment. If you are planning to pursue a program of education for more than 45 months, you should consider deferring receipt of DEA benefits. We strongly recommend that you discuss your education or training plans with a VA counselor before making a decision. If you decide to elect benefits under DEA, indicate the date from which you wish your DEA payments to begin.
